

Introduction & Contact Data

I would like to take a moment here to give you some information on how this study came to be. Having written two previous books; "The 144,000 and the Multitude" and "The Trumpet Judgements Unveiled" which hopefully you have already read; the Lord continues to unfold prophecy for us. The Lord is unfolding His end times plan to include timing, the players and the events involved; yet He is doing it in a most unusual way. This book explains and shows us how He will accomplish all that has been foretold.

The main characters of this book are based on the previous books (see above) and the division of the church into the 144,000, the Multitude, the Serpents, and the Scorpions. We will discover that these four groups run through scripture and the identities will amaze you.

All Bible verses are quoted from the King James Bible; for the King's James Bible is the direct translation of the original manuscripts. All other bibles have distorted the Word of God by replacing words, removing words and adding to the text. The other translations cannot be trusted as the **True Word of God**.

All Bible definitions are from the Strong's Exhaustive Concordance; for the Strong's is also the most accurate of the Concordances. All dictionary definitions are from Webster's New World Dictionary.

As we go through this study, there are numerous definitions of Hebrew and Greek words that we will investigate. An explanation of this is in order for those of you who are not familiar with a Concordance.

Each word in the Bible was translated from the Hebrew of the Old Testament and the Greek of the New Testament. You can look up that word which will give you the spelling, pronunciation, and the definition of that word. The definition may have many sub-definitions and also comparative words that are connected to the original word. These give us the understanding of the prophetic language that runs through the scriptures.

I wish to thank the Lord of Glory for opening up my understanding on this subject and giving me the perseverance to sit down and write this out. I know the information contained in this study was revealed by the Lord. I pray that I, as an ambassador of Christ. I have fulfilled my commitment to get this information out to you. All glory goes to the Lord.
